

License Look-Up

To look up a license, first select 'INDIVIDUAL' or 'FACILITY' under the search option below. Enter your search criteria, then click the 'SEARCH' button. The information requested will be displayed in a list at the bottom of the screen. To view more details on the license or to view a printer friendly version, click the 'Number' under the **License/Application/Approval Number** column. Then click 'VIEW MORE INFO'.

NOTE: Approval Numbers are only for Real Estate Instructors. If the number in the **License/Application/Approval Number** field begins with 'L2K' or 'APP', it is not yet a fully approved and issued license.

To view any disciplinary history on the license, click 'Yes' under the **Discipline** column. To download the disciplinary document, click 'View' next to each document.

If you require a verification in writing, click [Request Written Verification](#) for instructions. If the licensee holds a **compact privilege to practice** in Delaware, see the **Compact License Verifications** section on the Division's [License Verifications](#) page.

****Disclaimer:** DELPROS online verifications are considered **primary source verifications** and are free of charge. These online license verifications contain real time information from our DELPROS licensure database.
